Who's Who

O SON OF SPIRIT! The best beloved of all things in My sight is Justice; turn not away therefrom if thou desirest Me, and neglect it not that I may confide in thee. By its aid thou shalt see with thine own eyes and not through the eyes of others, and shalt know of thine own knowledge and not through the knowledge of thy neighbor. Ponder this in thy heart; how it behooveth thee to be. Verily justice is My gift to thee and the sign of My loving-kindness.

By Victor Woods de Gehle et Le'Grande,

There is a Nostradamus prophecy about a great King of Terror who would appear in the year 1999 and start World War III. This book is written to show how this "King of Terror" is President George W. Bush and how he fulfills this Nostradamus prophecy, as he became the Republican nominee for president of the United States in 1999 and has started this "War Of Terror" that is soon to become a global conflict between the major military powers of the earth. This Nostradamus prediction says that this great King of Terror would "make the great king of the Mongols to live again" as Bush is going forward with his agenda to destroy the very people and lands that the Mongols had conquered and destroyed; Afghanistan, Iraq, Korea, Iran etc. thus beginning the Third World War from out of the land of Iraq and through the use of nuclear weapons.

As this King of Terror, George Bush II, wages this 'War Of Terror', we will soon realize the consequences of these misguided, evil and corrupt plans. Now is the time to not only prepare physically for these tremendous catastrophes that will soon be upon us, but also prepare spiritually and enter into the safety, security and salvation the 2nd Coming of Christ, the Prince of Peace, Baha'u'llah offers.

Today is the **Day of Judgment.**

The Day of Judgment is not God sitting in the clouds on a great court bench banging His gavel, "Sheep to the right and goats to the left", its mankind, in turn, judging God and His messengers. Whenever a Promised One of God appears, that is the Day of Judgment, and it is up to the people themselves to judge aright.

The Revelation of Baha'u'llah is based on Justice and the Revelation of Baha'u'llah can be summed up into twelve basic principals:

1 The Oneness of the World of Humanity

That no matter what race, what country, what religion, all the people are the people of one human family, one body of the body of mankind. When the human body starts attacking itself, it becomes sick. This is the definition of Cancer, when the body literally starts to attack itself. We are One People.

2 The Independent Investigation of the Truth

It is only the individual who can be assured of the truth. No one can make another believe the truth. It is up to the people themselves to investigate and decide for themselves the truth of a matter and not go by the popular opinion or the party line.

-  [Land of the Rhone](#)
-  [The Future for All to See](#)
-  [Conclusion](#)
-  [Banner of Unity](#)

3 Religion is Progressive with all having a Common Foundation

From the beginning of history the great prophets who have come have come like teachers in the grades of school teaching mankind progressively throughout the last 6,000 years. Each one being able to give the message of the other, like the teachers in school who are college educated, but only give to the people that which they are capable of understanding. They all spoke of each other, prophesied and referred to one another and were supremely unified in their message. This is the clear truth and there is no other.

4 Religion is the Cause of Unity

The word "Religion" comes from the Latin "Religio" which means, "To bind together" and is also the root of the word "Ligament", or the material which binds our bones together. Today "Religion" is considered to be the divided and quarreling sects and opposing religions of today. But nothing could be farther from the truth. Today, what is considered to be "Religion" is really "Irreligion" because it divides and separates the people.

5 The Essential Harmony of Science and Religion

Today we have a great debate that ensues which is, who is right, science or religion? Who should we believe because they obviously don't agree. But again, nothing could be farther from the truth. If God is the Creator of the universe and everything in it, and then science is just the study of the creation, how could these two forces be opposed to one another? In the Name of God, they are not opposed, but are perfectly and harmoniously joined and both evolve together and will continue to evolve as our understanding becomes clearer and we see the reality of these things for ourselves.

6 The Equality of Men and Women

The two forces of male and female are like the two wings of a bird. If one wing is weaker than the other the bird cannot fly. These two must be unified in the true sense of the word so the world of humanity may aspire to the heights to which it has been endowed.

7 The Elimination of Prejudice of all Kinds

Prejudice is the result of ignorance and ignorance breeds contempt. Racial prejudice, Social prejudice, Religious prejudice and any and all prejudice that eats away at the fiber of the Family of Man must and will be eliminated.

8 A Spiritual Solution to the World's Economic Problems

For a global civilization there needs to be equitable distribution of goods and a global Standard of Living. Through global instrumentation of the world's resources and a global monetary system, as well as the spiritual ideals of a global consciousness and the worship of the One, True God, these problems plaguing mankind will also be eliminated.

9 Universal Compulsory Education

All people in the world are to be educated and the governments are required to provide the educational needs of the people according to a globally accepted curriculum.

#10 A Universal Auxiliary Language

One of the main obstacles in global unity is the barrier of language. A world language will be agreed upon as an auxiliary to every nation's own language so as to not only provide a means of global intercommunication, but also protect the cultural and historical value of each language and dialect in the world.

11 Universal Peace upheld by a Spiritual World Government

War is a parasite of destruction that will be permanently prevented from continuing to eat away at the life and spirit of humanity. All nations will compose a universal system of collective security. The nations of the earth will be rid of the weapons of war, and the disputes between the people will be equitably solved through the global system of the House of Justice. Global laws will be enforced collectively through the Universal House of Justice and the Executive BRANCH of the descendant of David as its head and President.

12 A Universal House of Justice with a Descendant of David as the Guardian at its Head

This is the culminating fruit of the Kingdom of God and from where the prophecy of Isaiah is fulfilled:

*"And it shall come to pass in the latter days
that the mountain of the house of the Lord
shall be exalted among the mountains,
and rise above the hills;
and all the nations shall flow to it and
many peoples shall come, and say:*

*'Come let us go up to the mountain of the Lord,
to the house of the God of Jacob;
that he may teach us his ways and
that we may walk in his paths.'
For out of Zion [place of the throne of David]
shall go forth the law and the word of the Lord from Jerusalem.
He shall judge between the nations,
and shall decide for many peoples;
And they shall beat their swords into plows and
their spears into pruning hooks;
Nation shall not lift up sword against nation,
neither shall they learn war anymore."
(Isaiah 2:2-4)*

These are the 12 fruits that are described as coming forth from the Tree of Life that is the tree that overshadows the whole of mankind. This tree is the Family Tree of the Manifestations of God who have delivered the Divine Education for the world of humanity and have educated and progressed and evolved civilization and the world of Mankind to this day wherein these fruits of this tree are now realized. These are the choice fruits of the Kingdom of God and are the bounty by which God gives to mankind His everlasting grace. Through this Divine Plan the fruit is brought forth and the people who eat of this Tree live forever in the felicity of God's kingdom on this earth and in the world everlasting.

As the human race continues to evolve, we will pass into such a state of unspeakable glory that the minds of our present day cannot even imagine. This Universal system of the knowledge and implementation of the One, True, Invisible God will advance our species beyond anything we have ever dreamed. Baha'u'llah tells us that His Revelation is the beginning of a cycle that will last for the next five hundred thousand years and, as can be expected, God will continue to send His guiding messengers to teach the world newer and greater amounts of knowledge and information throughout this time. In the future, the people will recognize and accept these Divine Souls who appear instead of rejecting and persecuting them and the world will become Paradise on Earth. At the end of this five hundred thousand year cycle, another Universal Manifestation like Baha'u'llah will appear bringing all the prophets of that cycle together into another culminative Revelation and our planet will then unite with another planet many light years away and the continual progression of humankind will go on for billions of years. The lineage of David will continue to exist, as this is the Everlasting Covenant that God gives to David that will never end. As long as there is life on this planet there will continue to be a Universal House of Justice with a descendant of David at its head.

Now you have seen the future and now you know what will be the fate of

mankind. Today is the greatest of days as it is now that this is coming into being. It is now that the people will see all that has been foretold. It is this particular generation that has been called upon to be the ones who are to witness and experience the birth of the Kingdom. It is you who have been chosen among all other generations of the past or of the future, who have been given the great opportunity and, at the same time, responsibility to enact the God-given rights you have as a human being to independently investigate these claims and choose to accept the Truth, as it is the Truth that sets you free. These are spiritual stations that we all are capable of achieving according to our capacity. If it is the light that goes on in you, if it is the voice that you hear, if it is the face that you recognize, then this is the goal of your desire and the answer to your prayers.

BAHA'Í FIRESIDES

"The Ancient Beauty [Bah'u'llah] ruleth upon the throne of David.

Thus hath my Pen spoken that which the histories of bygone ages have related."
 ~ Proclamaition of Baha'u'llah, p. 89

The Baha'i Faith is the fulfillment and answer to the Lord's Prayer.

*Our Father who art in heaven,
 hallowed be Thy name.
 Thy Kingdom come,
 It will be done on earth as it is in heaven.*

Jesus had the people pray for the coming of the Kingdom of God on Earth. The Baha'i Faith is God's Answer to that prayer.

The Kingdom of God is real Kingdom, with laws, subjects and a king. It is the government of God ruling from the throne of king David which is the executive branch of the "House of the Lord". Through this "House" and its executive branch, the living Davidic king, JUSTICE, God promises, is to be brought to this war-torn and darksome world.

Jesus promised this Kingdom and told us to pray for it. Baha'u'llah (The Father) has now Revealed it, and Jesus (the Son), himself has returned to establish it on earth as it is in heaven.

For this reason God sent the person (Adam, Moses, Krishna, Zoroaster, Buddha, Muhammad and the Bab) of the Holy Spirit into this world 7 times in the last 6000 years to prepare all people to accept the Kingdom of the Father (Baha'u'llah) that the son has now established, as the Universal House of Justice with the Davidic King as its president.

Jesus Christ was a Messiah, as the word Christ means Messiah, or specifically Messiah Ben David which, when translated, is 'The Anointed Son of David'. Jesus was a descendant of David who was anointed with the Holy Spirit and had the mission of proclaiming the coming of the Kingdom of God on Earth. Jesus also told us of the One who would actually bring this kingdom in the future, who would be the Second Coming of Christ, or another descendant of David anointed with the Holy Spirit. The 2nd Christ has come fulfilling prophecy by Name, Date, Address and Mission being seated on the Throne of David and bringing an everlasting dynasty of Davidic kings as promised by God in the book of Psalms.

I will not violate my covenant, or alter the word that went forth from my lips. Once and for all I have sworn by my holiness; I will not lie to David. His line shall endure for ever, his throne as long as the sun before me. (Psalms 89:34-36)

This Covenant of an everlasting dynasty of Davidic kings are the guardians of the Baha'i Faith seated at the head of the Universal House of Justice or House of the Lord as prophesied in the second chapter of Isaiah:

.....

It shall come to pass in the latter days, that the mountain of the house of the Lord shall be established as the highest of the mountains, and shall be raised above the hills; and all the nations shall flow to it, and many people shall come, and say: Come, let us go up to the mountain of the Lord, to the house of the God of Jacob; that he may teach us his ways and that we may walk in his paths. For out of Zion shall go forth the law, and the word of the Lord from Jerusalem. He shall judge between nations, and shall decide for many peoples; and they shall beat their swords into plowshares and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more. (Isaiah 2:2-4)

Baha'u'llah is the founder of the Baha'i Faith. He fulfills prophecy as the Second Coming of Christ (Mark 8:38). Just as Jesus the Christ did not come fulfilling the peoples expectation, neither does the Second Christ, Baha'u'llah, appear as the people might imagine. Instead, He appears fulfilling detailed prophecies of all the worlds religions as to the promise of a great World Redeemer who is to appear in the end times and unite all the people of the earth.

Baha'u'llah made a strong Covenant passing the throne of King David to his son 'Abdu'l-Baha, making 'Abdu'l-Baha the CENTER of His Covenant. 'Abdu'l-Baha then delineated His Father's Covenant in the sacred Will and Testament of 'Abdu'l-Baha, which is the CHARTER for the Kingdom of God on earth as it is in heaven (see page 144 of "The World Order of

pana u uan 101 more).

In the Will and Testament, the line of Davidic Kings from Baha'u'llah and 'Abdu'l-Baha entitled AGHSAN (BRANCH: see Zech. 3:8 KJV) continues for ever as the presidents of Baha'u'llah's Universal House of Justice (UHJ) which is the "House of the Lord" prophesied by Isaiah and the other prophets. The purpose of the lineage and throne of David is so that we can recognize the true UHJ or true HOUSE of the Lord from fakes, frauds and imitations. Groups of people that claim to have organizations or administration, but have no descendant of King David as the 'sign of God' as the executive or chair, are therefore disqualified as being from God, and are only man made institutions.

Many man-made institutions, however, have been set up by the people as temporary affiliations in the hopes of eventually finding this true Kingdom of God (Davidic) that God Himself has foretold and promised would come to bring Peace and Justice to the entire world. However, it is not the good things we do that get us in, it's the bad things we do that keep us out. We should not let these man-made institutions come between us and God, as they keep us out of the Kingdom. Anything, even no matter how good it may be, if it comes between us and God, is wrong. For example, pure water – too much of that good thing and we drown. As all 7 Great World Religions (7 appearances of the Holy Spirit) have so foretold this, all people are to be justified by God. God is therefore satisfied with all the people through the personal sacrifice that the Prophets, or Manifestations of God, have all endured on behalf of all mankind, Jesus and Baha'u'llah ranking amongst them as "Father" and "Son"

صلى .

Those in opposition to Christ - the lineage of King David continuing - are entitled anti-christ. Though the Covenant-breakers and anti-christs may abhor it so, this message of the Kingdom (Davidic) and Catastrophe (of this war which is upon us now since the 9-11) fulfills very specific prophecy from the Bible, and all world scriptures, so that through the intellect the pure in heart may be able to recognize the truth and accept it.

This site is dedicated to showing the proofs for the Second Coming of Christ, who has appeared in the 'Glory of the Father', Baha'u'llah.
